HOLY FAMILY HIGH SCHOOL AND JUNIOR COLLEGE EX-STUDENTS' ASSOCIATION

First round - Non-Buzzer Round:

- i. Question will be asked to a specific team for 40 points; starting with Team 1 & so on. 30 seconds to answer the question.
- ii. If the specific team is unable to provide the correct answer; question will be passed to the subsequent Team for 30 points i.e., Team 2 & so on.
- iii. If the team is unable to provide the correct answer; question will be passed for the 3rd & final time to the subsequent Team for 20 points.
- iv. If the question is passed for 3 times by participating teams; the question will be passed to the audience for spot prize.
- v. No points will be deducted for wrong answers. There is no buzzer in this round.

Second round - Buzzer Round:

- i. Question will be asked, open to all participating teams in the session.
- ii. Team that presses the buzzer first; will get an opportunity to answer the question for 40 points.
- iii. After pressing the buzzer if the team is unable to provide the correct answer; 10 points will be deducted for wrong answer & will be locked out of buzzer for this question. Other teams will now have the option to buzzer in to answer.
- iv. This time the team that presses the buzzer first; will get an opportunity to answer the question for 30 points.
- v. After pressing the buzzer if the team is unable to provide the correct answer; 10 points will be deducted for wrong answer & will be locked out of buzzer for this question. Other teams will now have the option to buzzer in to answer.
- vi. This time the team that presses the buzzer first; will get an opportunity to answer the question for 20 points.
- vii. After pressing the buzzer if the team is unable to provide the correct answer; 10 points will be deducted for wrong answer. As the question has been buzzed in 3 times; the question will now be passed to the audience for spot prize.

Tie Breaker: If there is a tie on points between teams to qualify for next session or to decide the winner; one additional question will be asked. The first team to buzz in and answer correctly wins. If a team buzzes in and answers incorrectly, the question is then posed to the other team. If neither team gives a correct answer, the host moves on to another question. This continues until a correct answer is given and one team is declared the winner. There are no point deductions for wrong answers.
